ONLINE: Language Acquisition

*“I learned information that
I will use to teach English Language Learners.”*

– Patricia F.

Delve into theories of the language acquisition process, and uncover practical ways for teachers to help English Language Learners understand lesson content.

Through the strategies and information provided in this course, teachers are equipped to meet students at their specific stage of language learning and create aligned activities thus helping students achieve higher levels of linguistic fluency.

The techniques presented cover the acquisition and mastery of literacy skills for students including reading, writing and dialogue, as well as understanding and supporting English Language Learners at a deeper level.
